January 21, 2026

Location: Ann Samsell's house
All members present

The meeting was called to order and the previous minutes were approved.

The district's website (LeBleuRd.org) was discussed. Do we really need a website?
It looks like most of the check-ins could be hackers, so do people really use it? The account is currently owned by Dillon Hicks and changing ownership would be difficult.
The annual cost for the site: $155. For the website
$20. For the Domain
$15. SSL Certification
After discussion, The commission decided that it is best to keep the current site as recreating a new one would be difficult.

Ann Samsell mentioned that she is considering stepping down as a commissioner when her term concludes this year, if we can find another interested person. She said the she would be willing to still take minutes if that is appropriate.

Current Balance = $12,940.00
All dues have been collected!

Respectfully submitted,

Ann G. Samsell
