LBRD MINUTES. May 20, 2026

Present: Larry Hedberg
Nathan Philips
Ann Samsell

The meeting was called to order and the previous minutes approved.

Nathan reported a balance of Total Assets = 12,790.79

As of this date, A/R = 0

The commissioners discussed the need for road repairs and decided to NOT do major repairs this year, but to get a quote on what a total overlay would cost, as this is what really needs to be done.

Because of busy summer plans, the commission opted to skip the next meeting and set the next meeting date for October 21, 2026 at 10:30 at Ann Samsell's house.

Respectfully submitted, Ann G. Samsell
